

AIRBIKE **E L I T E**

**TAKE INTERVAL
TRAINING TO
THE NEXT LEVEL**

WORKOUT WITHOUT LIMITS.

Fan bikes have been around for decades, but no one had sought to improve upon the design until the Assault Fitness team set out to create the highest quality, most durable air bike on the market. The Assault AirBike Elite takes interval training to the next level, with a smoother ride and enhanced console capabilities. Individualised and infinite adjustments allow exercisers to keep it mellow and level to target a heart rate, or do high intensity interval training for a serious workout.
