

RBK 685

Experience Series®

RECUMBENT BIKE

Product features

1. P82 console

The P82 console offers a brilliant 15 in./38.1 cm screen that's ergonomically positioned to deliver crystal-clear entertainment viewing for exercisers in motion. When networked, it serves as a direct-to-exerciser communication portal, allowing you an opportunity to build your brand, share information about activities and services, and strengthen the sense of community within your facility.

2. Step-through design

Designed for easy entry, the recumbent bike has a step-through design (14 in./36 cm wide) with a low step-over height (4 in./10 cm).

3. Air-flex seat back

The custom-designed air-flex seat features a ventilated panel and unique suspension system for a cool, cushioned ride.

4. Seat adjustment

The simple seat adjustment allows the exerciser to change the position of the seat with one hand, either on or off the bike.

5. Ease of maintenance

The easy-to-remove shrouds ensure quick access to the belt-drive system for maintenance and servicing without removing the pedals or crank arms.

6. Pedals

The extra-wide pedals comfortably accommodate feet of all sizes and feature integrated, adjustable straps to ensure proper pedalling form.

Black Pearl

Refined colourways with dark Tungsten covers and two frame colour options, Black Pearl and Storm Grey.

Storm Grey
