

C012ES Shoulder Press

VITALITY SERIES

The Vitality Series provides operators with a comprehensive conditioning circuit while staying within the space and budget requirements for a wide range of facilities, from hotels to multi-family living to community centres. The natural feel and ease of use appeal to a wide range of exercisers.

Approachable & Intuitive — Built to satisfy all levels of exercisers in your facility, the Vitality Series creates an open and inviting environment within a facility with a consistent low-profile

tower height, translucent shrouds, and precision adjustments that make it easy and comfortable for exercisers to get the right fit.

Built to Perform Long Term — The Vitality Series meets the demands of facilities and exercisers with durable, welded frames that can hold up to the pressure.

Part of a Complete Package — It all fits within the Precor package, providing you with a consistent feel in your facility.
